Illness Policy

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill. This reduces the spread of illness and allows your child to fully recuperate. Children may not attend school until they have been symptom free for 24 hours if they display any of the following:

Fever of 100 degrees or more-must be fever free for 24 hours with no fever-reducing medicine before returning to school, vomiting, diarrhea, or stomach upset, heavy nasal discharge requiring wiping every 305 minutes, persistent or barking cough, sore throat, skin rash, head lice, or symptoms of a communicable disease

For more information please see our Parent Handbook or reach out to a member of our administrative team.
