

August Newsletter

Thank you all for your participation in our Kids Helping Kids initiative this summer! We collected 23 large packs of diapers, 11 packs of socks, and 2 packs of underwear. We are grateful for the opportunity to watch our students serve others these past few weeks and appreciate the role you all had in this.

We still have a few more weeks of summer, but our teachers are hard at work preparing our classrooms for the new school year. As we are getting ready for the fall transition, please let us know if you have any questions or concerns. You can expect to receive your back to school packet in the mail soon. This will contain all of your child's paperwork for the school year and should be returned by the first day of school. If you have any questions, please don't hesitate to reach out to myself or any of the admin team.

Reminders:

- Make sure your child has spare clothes in their cubbies
- bring a water bottle for your child
