

August News Touchstone School

Tumble Wheel Studios

We are now offering a new aftercare program called Tumble Wheel Studios! Students get to explore a wide range of art techniques such as ceramics, printmaking, painting, and more! Registration forms can be found at the front desk. Feel free to ask the administration team any questions about this exciting new program.

Thank you!

A big thank you to all of the families who participated in last month's charity, Kids Helping Kids. All of your sock and toiletry donations were much appreciated. Giving back to our community is so important thanks for all your help!
