

May Newsletter

Now more than ever, we are in awe of the flexibility and resilience of our students and families. We have enjoyed seeing you all online the past few weeks and are hopeful that we can be together again soon. In the meantime, we are in the process of planning for summer and have setup a few fun activities for us to do “together” this month. We hope you can join in!

Summer Camp

We understand that there are many unknowns right now, and are offering our families an opportunity to register for summer camp and receive a full refund of any deposit paid if we are unable to offer camp or if your child is unable to attend. Registering for camp now will save your child’s spot in our program and enable us to continue to plan field trips and special events. Please let us know if you’d like to register!

School Pajama Party

Wear your best jammies and join us on Zoom on Friday, May 22nd at 7:30 p.m. for a pajama party and bedtime story! Our Principal will be reading a special story for everyone to enjoy. An invite with the link to join will be sent out later this week. We hope you can join us!

Distance Learning

Do you have a friend or family member who is looking for additional enrichment and learning for their preschooler during the day? Refer them to our Distance Learning program to earn one free week of tuition. Contact us for more details!
