These protocols follow the guidelines and recommendations of the Center for Disease Control (CDC), U.S. Department of Health & Human Services (HHS), and Occupational Safety and Health Administration (OSHA) standards related to COVID-19.

Our new photography safety protocols include

### ENHANCED CLEANING

Photographers are provided sanitizing wipes and spray to clean camera stations and equipment

### NO-CONTACT POSING & SOCIAL DISTANCING

Photographers are required to maintain six feet between themselves and subjects while being photographed

### PRE-SESSION HEALTH CHECK

Photographers are provided a thermometer for their daily self-health assessment before reporting to a photography event

### SAFETY TRAINING

Lifetouch employees are required to complete comprehensive safety and cleaning protocol training

### MASKS

Photographers are required to wear masks during the entire photography session

### CUSTOMIZED PLAN

Most importantly, we'll work with you to establish a plan that fits your needs

While photography sessions may look different this year, as a trusted partner, our goal remains the same; to ensure you receive this essential photography service and families can continue to capture life's memories.
